WHY VISIT COTTEY?

COTTEY COLLEGE WANTS YOU HERE.

We take ambitious, hard-working women and help them develop into who they want to be. Cottey has state-of-the-art facilities, including a stock trading lab, a cadaver lab, an esports arena, and dance classes for all skill levels. No matter your interest, you will be a good fit here!

The Cottey experience cannot truly be understood from a distance. That's why we invite students to tour our incredible campus. Come see us!

We offer virtual and in-person tours. Both types of tours are guided by a live admissions counselor and fully customized for each student.

A GOOD FIT

IN AND OUT OF THE CLASSROOM.

Not only will you be a good fit academically, Cottey students have exciting opportunities to find friends! It's easy to fit in when there are fun traditions and suite-style living. Take in an athletic game or match, or support your friends in the theatre or choir by seeing a performance (or get up on the stage yourself!).

When you want to take a break or find a private place to study, our campus has a bevy of quiet spots both indoors and out. The surrounding area also offers many lakes and parks to relax and interact with wildlife.

Cottey works hard to create a supportive environment where our students can grow into their own incredible futures, no matter what their interests are!
